

PROMOTING OUR ENTERPRISE CORE VALUES ENGAGEMENT IDEAS

FUN WAYS TO KEEP RITE ON! TOP OF MIND.

As a leader, you're encouraged to inspire our core values within your team. Set the example and provide opportunities for your team to shine with contests and small rewards. You know your team and can create unique ways to encourage them to keep our core values top of mind. Below are suggestions of easy, but important challenges that inspire and engage people during their workday. A positive, vibrant team member who lives RITE On! benefits everyone.

RITE ON! BOOSTERS

Depending on the size of your team, you may want to solicit the help of fellow team members to keep RITE On! alive on your team. You could meet with these RITE On! Boosters once a month or each quarter to discuss ideas for team activities, outings and rewards.

REWARDS

Recognition of a contest win is appreciated and serves as a reminder of our core values. Simple and small rewards can be exciting and powerful without costing too much. RITE On! group contests can earn lunch or cookies for the team and single-person wins can be rewarded based on budget and level of contest complexity. RITE On! rewards can be purchased from the portal.

- RITE On! buttons
- RITE On! t-shirt
- Gift cards
- Splits of wine
- Gift certificates
- Team lunch

Everyday Do-gooders | Instigate a team policy that anyone at any time can be rewarded for doing something good. The reward could be a simple button, but just having this kind of ongoing incentive will keep RITE On! awareness alive.

Lunch and Learn | Bring in lunch and encourage discussion of core value topics.

RITE On! Rap Sessions | Meet-ups for a short break to talk about core value moments with the team. Iced Coffee/Coffee bar or special local food truck.

Field Day for the Team | Team building/outdoor games with RITE On! themes/discussions included.

Sales Goals or Equivalent

Contest to see who achieves a department goal within a stated period.

Continue a Story | Bring in lunch for the team. In the group, someone starts a story, and each person adds to it. Stay within the theme of our core values.

Team Volunteer Event | Nothing says teamwork like joining together to do something good for others. Plan a day to work at a food bank, or volunteer at a local shelter or an organization that needs help.

Cookie Bake-off or Chili Cook-off | Everyone votes! This raises team spirit, and the winner takes home a prize!
